

Bio Eng:

NO KING is a young and enthusiastic band with its roots in the east of the Netherlands. They are brought together by Phil Bee (Winner of 'The Voice Senior' 2021 / King MO). Neat blues will be interchanged with solid Blues rock played with some tight funky influences. Nice guitar playing, a hammond organ (with of course a Leslie), solid drums and a tight bass will bring you an unforgettable evening!

Bandmembers:

Sjoerd Schelvis: Hammond + vocals
Jelle Wunderink: Guitar
Stijn Middelhuis: Bass
Lars Middelhuis: Drums

Review Phil Bee:

NO KING: A short summary: PERFECT Dutch young blues musicians who produce a solid fat groove and who can interest the listener. Blues in the Netherlands has a future, the name: NO KING.

Bookers: take it from me, book them now, in that case you can later say that you were one of the first.
